NORWOOD BASKETBALL ASSOCIATION

October 2009

The Norwood Basketball League's goal is to provide a broad base of basketball activities to facilitate players at various levels of play. Our program consists of (2) distinct types of teams for grades 3 to 8.

The 1st is the Recreation program which includes one practice and one game each week beginning in December 2009 and ending in Mid-March 2010. Every (ALL) player will play in every game. The practices will focus on enhancing skills and having fun. There are no play-offs, 10 regular season games; games and practices are not mandatory. The cost is \$95.00 per player.

The 2nd is the Travel basketball program which includes 2 games and one or two practices each week beginning November 2009 & ending in March 2010. This program is more competitive, requiring a significant commitment and includes a play-off format. Playing time is not guaranteed. The travel teams will participate in a number of tournaments, which can be located over 60 minutes away. The travel team will play 25 - 35 games throughout the year with all games and practices being mandatory, except for excused absences.

The total cost for the travel program is \$140.00; \$175.00 if participation in the recreation program is included with the travel program.
